

# Parklands Community Primary & Nursery School

## **Children with health needs who cannot attend school policy**

September 2022

## **1. Aims**

This policy aims to ensure that:

- › Suitable education is arranged for pupils on roll who cannot attend school due to health needs
- › Pupils, staff and parents understand what the school is responsible for when this education is being provided by the local authority.

## **2. Legislation and guidance**

This policy reflects the requirements of the Education Act 1996.

## **3. The responsibilities of the school**

### **3.1 If the school makes arrangements**

Initially, the school will attempt to make arrangements to deliver suitable education for children with health needs who cannot attend school. This will involve the following:

- Work being set for the individual that follows the curriculum for their year group as closely as possible.
- Weekly check-in phone calls.
- Consider arrangements needed for successful reintegration when the pupil returns to school.

### **3.2 If the local authority makes arrangements**

If the school can't make suitable arrangements, Cheshire West and Chester local authority will become responsible for arranging suitable education for these children in conjunction with the SEN team/health team.

In cases where the local authority makes arrangements, the school will:

- › Work constructively with the local authority, providers, relevant agencies and parents to ensure the best outcomes for the pupil
- › Share information with the local authority and relevant health services as required
- › Help make sure that the provision offered to the pupil is as effective as possible and that the child can be reintegrated back into school successfully
- › When reintegration is anticipated, work with the local authority to:
  - Plan for consistent provision during and after the period of education outside the school, allowing the pupil to access the same curriculum and materials that they would have used in school as far as possible
  - Enable the pupil to stay in touch with school life (e.g. through newsletters, emails, invitations to school events or internet links to lessons from their school)
  - Create individually tailored reintegration plans for each child returning to school
  - Consider whether any reasonable adjustments need to be made

## **4. Monitoring arrangements**

This policy will be reviewed annually by Kim Cairns. At every review, it will be approved by the full governing board.

## **5. Links to other policies**

This policy links to the following policies:

- › Accessibility plan
- › Supporting pupils with medical conditions
