

Year 1 and 2 Reading Record Insert

The Fab Five!

Help your child follow these 5 daily activities when they read their 'home read' book to you.

Day 1 – *Title Time*. Enjoy sharing and discussing the front cover and discuss other stories you have shared that might be similar. Children can talk about characters and predict what might happen.

Day 2 – *Speed sounds and word time*. Let your child read the speed sounds and practise the green and red words.

Day 3 – *Story Time*. Children read the story vocabulary and then read the story for the *first* time.

Day 4 – *Story Time and questions*. They read the story for the *second time* and enjoy going through the questions together. Children can go back through the book to find the answers.

Day 5 – *Story Time*. Children can enjoy reading the story again with confidence and enjoyment.

Have you completed your **Fab Five**?
