

# All reading packs to be in school every day!

## What books will my child bring home?

- ✓ Your child will bring home a *Read Write Inc. Phonics* book labelled 'home read'. They will be reading the same version in school in their RWI group. A brief explanation of how to follow the activities is included in the books.
- ✓ Your child will also bring home a 'Book Bag Book'. This book builds upon the ideas and many of the words in the 'home read' book that they have read. Your child may need more support in reading this book.
- ✓ Your child will also bring home a book of their choice every Friday.

## When are books changed?

This can change weekly and can depend on your child's reading progress in school. There is no set day that your child will receive their new books as the new system requires children re-reading and practising their book to help them become more confident and fluent.

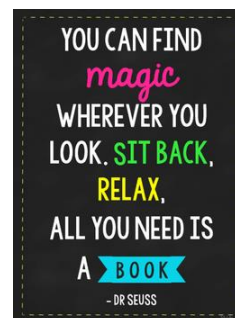

We aim for children to have about **3 books a week**.

### This will include:

- 1 home read
- 1 book bag book
- 1 book of their choice (**changed on a Friday**)

## What should be in their reading pack?

- ✓ Up to three books from school.
- ✓ 1 reading record (yellow)
- ✓ A sheet with your child's new sound on to practice at home (these can then be left at home to practice)
- ✓ Please ensure your child's pack only contains these items to avoid breaking packs and not being able to shut them.

## How do I sign their reading record?

- ✓ Simply sign each day that your child reads and what activity you have done.
- ✓ Any comments that you would like to write are always welcome and will help us monitor how your child is progressing with their reading at home, as well as in school.
- ✓ We will write your child's books in their record, when they are changed.
